There is nothing in this world that is more magickal than Love. The whole world seems to be different place when we are "in" love. Although many people have harmonious, blissful married lives where love is expected and cherished, there also exists relationships which are non-traditional by nature where love flourishes without end.

### In Search of Love Spell

If you are someone who hasn't fallen head over heels with someone, here is a spell to help you do just that. This spell is usually cast when someone is about to go to a gathering in search of new love.

Get seven pink or red rosebuds for this spell. Also, get seven lovage leaves and seven grains of paradise. Heat up some water and let the items steep in it. Let it cool down a bit.

Prepare your bath and add the botanical material along with the water into it. While you sit in the bath, chant:

Beautiful Goddess, Ocean of Love  
Make my true love come to me!

Visualize the incarnation of your heart's desire entering your reality. When you can feel the presence of your true love, air-dry, get dressed and go to the gathering where you will meet your true love.
